# Rudolphs Rampage 2010 Results

The rescheduled Rudolphs Rampage 2010 provisional results. Due to unprecedented weather conditions in late December, this event was held on 2nd January 2011.

Apologies for the sign at the crossroads in the valley of Painswick being absent, but it appear it was removed before the race start.

If you believe your results are incorrect or is not visible please contact Simon via the [contactform](#)
